

## Activity Sheet 2.

Find the information about the bombing of the harbour in St Peter Port. Imagine you were there and heard the planes overhead followed by the massive explosion. Imagine how you would have felt, what you might have seen or heard. Perhaps you found out later that someone in your family had been injured. Make a list of words and phrases, with a partner, then try to write a poem.

You could begin like this:-

*I heard the low hum of the planes,  
I heard the loud explosion as the bombs dropped.*

*I felt.....  
I felt.....*

*I saw.....  
I saw.....*

This shows some of the tomato lorries that were mistakenly bombed.
