The Guernsey Blind Association helps residents of the Bailiwick of Guernsey suffering from blindness or impaired vision to improve their quality of life.

The ways that the Association assists includes advice on the use and provision of low vision aids, independent living skills, communication skills and mobility. In addition the Association organises leisure activities involving handcrafts, social afternoons, hobbies and sports.

Support is also offered to clients, their families and carers, to employers along with clients learning new skills, and to self help groups.

Friends of the GBA will receive newsletters, be invited to attend functions and will be welcome to visit us.
